of Correction

Sir:

Applicant hereby requests a Certificate of Correction under 37 C.F.R. § 1.322 be issued for the above patent, in accordance with the attached request.

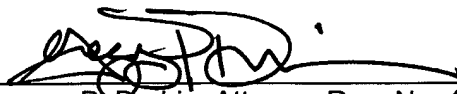

Primarily, the Certificate of Correction seeks to correct several typographical errors in the claims. The claims, recreated from the Examiner's Amendment attached to the Notice of Allowance dated January 4, 2005, contain several typographical errors made by the Patent Office. Minor changes are also corrected in the Abstract on the title page and in the specification. No new matter or change in the scope of protection is introduced by way of this Certificate of Correction.

As the vast majority of errors sought to be corrected were made by the Patent Office, no fee is believed due with this filing. However, should any fees or petitions be required, please consider this a request therefor and authorization to charge Deposit Account No. 04-1415 as necessary.

Should the Examiner have any questions, please contact the undersigned attorney.

Respectfully submitted,

Dated: AUG. 23, 2005
